### **About KCG:**

Among several initiatives taken by vibrant Gujarat, the Knowledge Consortium of Gujarat established by the Department of Education, stands out prominently as a major response to the very theme of the current century, which is being rapidly characterized as a gateway to the future where the human world family will at last come to create the network of relationships through the harmonizing threads of knowledge. Knowledge has therefore become today the dynamic watchword, and major progressive steps of development are being measured in terms of advancing of knowledge and learning society. Indeed, the Department of Education, Government of Gujarat has manifested eloquently its commitment to the future by creating the Knowledge Consortium of Gujarat. KCG envisions generate and provide ideas and paradigms for achieving excellence in education, educational management and policy framing for education in general and higher education in particular.

### **About College**

In 1963 with the contribution of devoted persons of surendranagar, who devoted their life for education field and great donor Late. Mr. Meghji Pethraj Shah, the college was established with the name of Shri M. P. Shah Commerce College, by Surendranagar Education Society. For the study of commerce and law this college became famous in Saurashtra University.

Due to increase in the need for higher education and the students of Surendranagar district do not require to go at Rajkot and Ahmedabad for further study. The P.G. Centre for M. Com. Was established and all other faculties like B. Com. (English Medium), B. B. A., The P.G. Diploma Course of Computer Science, Prof. C. K. Shah Computer Centre, Dr. Babasaheb Ambedkar Open University Study Centre and C. A. Examination Centre have been started.

Today more than 2000 students are studying in this college that offers them the degrees of B. Com., M. Com., B.B.A and the courses of Dr. Babasaheb Ambedkar Open University. Other than outshining at the university level in the field of education the students also fare well in co-curricular activities like sports, N.C.C, N.S.S, and youth festival.

### **About Workshop**

The workshop on **Ek Bharat Shresth Bharat (EBSB) with a special focus on Indian Knowledge Systems (IKS)** aims to promote national integration, cultural understanding, and academic enrichment by highlighting India's vast and diverse heritage. This workshop will introduce participants to the foundational vision of EBSB, emphasizing how cultural exchange, linguistic appreciation, and inter-state collaboration strengthen unity in diversity. With a dedicated context on IKS, the session will explore India's traditional knowledge domains such as mathematics, astronomy, medicine, architecture, environmental wisdom, arts, literature, and value-based education. Participants will learn how ancient Indian scientific principles continue to influence modern innovations, and how indigenous practices offer sustainable solutions to contemporary challenges. The workshop will include interactive discussions, audio-visual presentations, and activity-based learning to help students and faculty appreciate regional traditions, festivals, food habits, and artistic expressions across paired states. It will also highlight the significance of integrating IKS into higher education to nurture pride, critical thinking, cultural respect, and holistic development. By the end of the workshop, attendees will gain a deeper understanding of India's shared identity, cultural richness, and the relevance of traditional knowledge in shaping a progressive, harmonious, and self-reliant nation.

### Objectives of workshop:

1. To help participants understand the cultural unity of India through the lens of Indigenous Knowledge Systems (IKS).
2. To encourage participants to appreciate and exchange traditional practices, wisdom, and heritage across states.
3. To develop awareness about India's linguistic, cultural, and regional diversity and its interconnectedness.
4. To enable participants to explore how IKS can inspire sustainable living and community well-being.
5. To motivate participants to contribute to national integration through collaborative cultural learning.
6. To foster respect for traditional knowledge and its relevance in modern times.

### Workshop Guidelines

- Participants will prepare a research proposal on Ek Bharat Shresth Bharat with Special Context on IKS.
- Subject experts will provide information and guidance on the research that can be done in the field and its usefulness.
- Participants will be divided into different groups in the workshop and given guidance on preparing the proposal
- The research proposal prepared by the participants will be examined and necessary suggestions will be made
- The best research proposal selected will be presented by the proposal preparer in workshop.
